Jump in to Spring with our Essential Treatments

Lash Lift & Tint - £45

An innovative treatment that adds height and lift to your own natural lashes. Using specialised moulds, this technique creates a fantastic illusion of longer and more voluminous lashes. This package also includes lash tinting with results that last up to 8 weeks and looks great even without mascara.

Manicure & Pedicure Duo - £47.50

Hands and feet are soaked and moisturised, cuticles softened, and nails are shaped to perfection, before an application of Jessica Phenom Polish - available in 25 of the latest colours. A final coat of Jessica Shine provides a high-gloss, hard wearing finish.

Goldwell Spring Highlights Offer - £65

Start the change of season with style, and freshen up your look with sweet spring-loving highlights. Relax in the hands of our skilled colour technicians while you enjoy half a head of highlights in a range of tones. Includes a bouncy blow dry to finish. Offer available Monday - Thursday.

Cut & Style - From just £36

Refresh your style and get on trend for spring! The big look this season is low-maintenance, no fuss textures that embrace the natural look. If you're considering a change, come in for a free consultation with our professional stylists, and let us guide you in the right direction.

Weekend Essentials - £50

Look amazing and feel great with our Weekend Essentials package. Consists of a flawless Fake Bake spray tan, professionally applied semi-permanent gel polish on your fingers, and an application of Jessica Phenom Polish for your toes. The perfect solution for a weekend away.

Holiday Essentials - £65

Are you planning an early getaway in the sun? Our Holiday Essentials Package will get you ready in style. Brows are waxed & shaped, and lashes tinted to add extra definition. Then relax with a classic pedicure, before your fingernails are painted with an application of semi-permanent polish.

Jump in to Spring with our Essential Treatments

Celebrity Microderm Facial - £50

This gentle skin re-surfacing treatment uses ultra-fine crystals to deeply exfoliate and sweep away dead skin cells, revealing a clearer and brighter complexion. Skin is calmed using a hydrating mask which nourishes and provides lift & tone. Enjoy a course of 5 and receive a 20% discount.

Semi-Permanent Lashes - £65

Choose between natural looking Classic Lashes or high volume Russian Lashes to achieve the look you desire. Both options are applied individually to your own lashes by our skilled technicians, and offer extra length and easy maintenance. Lashes can be topped up every 2-3 weeks to retain fullness.

Four Step Total Skin Revival Package

The complete mind, body, & soul overhaul! - Two & a half hours - £95

Step 1 - Body Scrub

Chill out with a full body polish using an uplifting grapefruit, geranium, and natural sea salt rub. This treatment removes dead cells, leaving your skin deeply cleansed, even, and soothed.

Step 2 - Body wrap

A full body cocoa bean self-healing body wrap, packed with anti-oxidants - incredible for lightening, stimulating, and nourishing. While your body wrap works it's magic, enjoy a therapeutic scalp massage to calm the mind and reduce stress.

Step 3 - Facial

A rejuvenating facial with extra focus on the lips and soft skin around the mouth where wrinkles can form. This facial will leave your skin glowing, and help to produce the perfect pout.

Step 4

Hair is professionally cleansed and expertly styled using a wide variety of specialist tools and high-quality products to suit your style. Make-up is touched up as a complimentary service, leaving you ready to face the world.
